New short sentences I learnt that I want to use again:

## The story

What type of book is it (Adventure, mystery, historical, fiction, non-fiction, romance, fantasy(fairy tale), scary, funny)?

In the introduction... talk about the people in the book (characters) and setting (where the story is). Firstly...

Then....

After that....

Finally....

In the end....

I think the book was...

What part of the book could be improved?

I would /would not recommend the book to other learners. Why/why not?
